

Get reimbursed for out-of-pocket healthcare and expenses with tax free dollars!

MAXIMIZE YOUR INCOME!

FSAs allow you to pay certain healthcare and dependent care expenses with pre-tax money. (The key to the Flexible Benefit Plan is that your eligible expenses are paid for with Tax Free Dollars.) You will not pay any federal, state or social security taxes on funds placed in the Plan. You will save between, approximately, \$27.65 and \$37.65 on every \$100 you place in the Plan. The amount of your savings will depend on your federal tax bracket.

ELIGIBILITY

Participation in the Plan begins on October 1, 2016 and ends on September 30, 2017. You are eligible to participate in the Plan on the first of the month following your date of hire, if you are classified as a full-time employee working 30 or more hours per week. Those employees having a qualifying event are eligible to enroll within 30 days of the qualifying event. Deductions begin on the first pay period after the enrollment form is received. You must complete an enrollment form to participate in the Flexible Spending Accounts each year during the enrollment period. If an enrollment form is not completed during open enrollment, your enrollment will be canceled and you will not be able to join until the next anniversary date of the Plan or if you have a qualifying event.

ELECTION CHANGES

Once you have enrolled in an FSA you may NOT make any changes to your election unless you have a change in status such as:

- Marriage or divorce
- Birth or adoption
- Involuntary loss of spouse's medical or dental coverage
- Death of dependent (child or spouse)
- Unpaid FMLA or Non-FMLA leave
- Change in Day Care/Aged Adult Care providers

HOW TO ENROLL IN OUR FSA PLAN

Step 1

Carefully estimate your eligible Health Care and Day Care/Aged Adult Care expenses for the upcoming Plan Year. Then use our on-line FSA Educational Tools located at www.mywealthcareonline.com/fba to help you determine your total expenses for the Plan Year.

Step 2

Complete the Enrollment Form (available from your Benefits Administrator), which instructs payroll to deduct a certain amount of money for your expenses. Remember the amount you elect will be set aside before any federal, social security, and state taxes are calculated.
